Hormone Replacement Therapy

HRT consultation	\$250
------------------	-------

Hormone replacement therapy requires an active Medical Membership. The membership covers the ongoing visits and monitoring your hormone plan needs.

Weight Loss

Medical weight loss — monthly program

Confirmed at consult

Pricing for medication-based programs is confirmed in your consult, since dosing varies by patient.

Peptide Therapy

Every peptide program starts with a 30-minute consultation, where your protocol, dosing, and program length are set. Medical Members receive 15% off peptides.
